PhD ☐ Master's Degree ☐

I understand that permission to examine a manuscript, if granted does not include permission to publish the contents of the manuscript or any excerpt therefrom at any time, and that separate written application for permission to publish must be made to the Archives of the Gennadius Library, specifying the manuscript (s), the type and future use of its (their) reproduction. The copyright law permits reproduction and other uses of copyrighted works under certain conditions for purposes such as criticism, comment, news reporting, teaching, scholarship, or research.

I understand further that the holder of the original copyright is not necessarily the Gennadius Library. Permission to publish, exhibit, perform, reproduce, prepare derivative works from, sell or otherwise distribute the item must be obtained by the researcher separately in writing from the holder of the original copyright (or if the creator is dead from his/her heirs) as well as from any individual(s), groups, or corporations whose name, image, recorded words, or private information may be reproduced in the source material.

If this application includes a request for photographic or other reproduction of any manuscript I agree that the reproduction is to be made solely for my convenience in examining the manuscript. The reproduction will not itself be reproduced, or transferred to any other person, institution or company without the prior written permission of the Gennadius Library.

The Gennadius Library is not legally liable for copyright, privacy, or publicity infringement when materials are wrongfully used after being provided to researchers for "fair use." This institution reserves the right to refuse to accept a copying order if fulfilment of the order is judged in violation of copyright or publicity law.

When using material from the Gennadius Library, acknowledgements should be made to:
Gennadius Library, American School of Classical Studies.

I, the researcher, understand and agree to the above terms and will indemnify, defend, save, and hold the Gennadius Library harmless from all claims, demands, losses, or damages (including attorney's fees and expenses) arising out of any legal action, settlement, or adjustment resulting from my not having followed the guidelines provided above.
