TO: Members of the ASCSA Managing Committee
FROM: The Committee on Excavation & Survey
SUBJECT: Availability of Permit in 2018

The Excavation & Survey Committee invites applications for one permit available for fieldwork commencing in 2018. Applications should provide the committee with the information requested on the ASCSA web site at:

<http://www.ascsa.edu.gr/index.php/fieldwork/information-about-permits>.

Please note that the website has been revised, and applicants should be aware that some changes and additions have been made for application. The full instructions for applying for permission to submit a permit can be downloaded as a pdf document:

http://www.ascsa.edu.gr/pdf/uploads/Information_about_Permits.pdf.

Proposals must be received as **PDF** files by the Chair of the Committee (John K. Papadopoulos, JKP@humnet.ucla.edu) no later than **November 30, 2016**. The full committee will consider proposals in January 2017. Applicants will be informed of the results no later than the end of February 2017.

Persons considering applying for a permit are strongly encouraged to consult beforehand with the Director of the School and the Chair of the Excavation & Survey Committee. They will be happy to provide advice in planning the formal application for permission to apply for a permit.

Please circulate this notice widely, especially to anyone not a member of the Managing Committee who you know is considering applying for a permit.

With all best wishes,

Yours sincerely,

A handwritten signature in black ink, appearing to read 'John Papadopoulos'.
