

DIRECTORS OF THE SUMMER PROGRAMS  
Policy on Spouses and Partners/Joint Directorship

I. **Spouses/Partners and dependents**

Immediate family members of Summer Program Directors are welcome at the School and may share in the opportunity of participating in the Summer Program. They may also share with the Summer Program Director whatever housing arrangements are provided on the School campus. Immediate family members over the age of 13 may also accompany the group on trips sharing a room with the program director. Meals at Loring Hall for the spouse/partner will be offered at one-half the senior meal rate and meals for dependents will be offered at one-half the student rate. Family members are responsible for their own meals on the School trips. The School will not cover the costs of transportation for family members to and from Greece. In order to avoid distractions to participants and directors, children under the age of 13 may not travel on overnight trips. Immediate family members of co-directors may or may not be accommodated because of space limitations.

II. **Joint Directorships**

The School welcomes joint applications for the directorships of the Summer Programs. Decisions regarding dual appointments must be made at the time of application. Requests to add a joint director after the initial appointments have been made will not be approved. If a joint directorship is awarded, the two directors would share one salary. The School will cover the travel expenses for each co-director to/from Greece (up to a total of \$2000 each). The School will provide full room and board to both co-directors while at the School and on trips.
